Good evening Class of 2024,

I hope you are having a fabulous end of summer! We have now received all the deliverables for the festival! Thank you each for your diligence in getting in the digital copies so that we can have a smooth festival!

The festival is next weekend, **Oct 11-13, 2023**. We originally put our festival in October because it is LGBTQ+ Pride History Month, and many of our films deal with historical aspects and accounts of LGBTQ+ life. The festival will be in San Antonio, TX at [City Base Cinemas](#). The address for the building is **2623 SE Military Dr, San Antonio, TX 78223**. It appears that not everyone is watching our [Facebook Page](#), therefore I am sending the screening schedule and award nominees through email. The award winners will be announced Sunday.

Pride San Antonio is a 501C3 Non-Profit entity. We are honored you are allowing our audience to experience your art! Due to our non-profit status, we do not have any available travel funds to assist film makers to arrive at our festival.

If you requested the **feedback from the jurors**, those will begin to begin being released Nov 1st. If you have not requested the juror comments but would still like to receive them, please email me stating as much. If you have been watching our [Facebook Page](#) you are seeing some of the notations from our jurors, however these are not representative of all comments from jurors. Any comments provided from the jurors may be used and attributed to San Antonio QFest International Film Festival.

If you have any questions or concerns, please reach out to me at this email address. I have included my phone number in the signature block as well in case you need to contact me directly.

Thank you once again for trusting us with your art. It means so much to us at SATX QFest that we are able to bring your moving stories to our audiences.
